Mile High News

Power of One

"Now the full number of those who believed were of one heart and soul..."
(Acts 4:32, ESV).

Happy Father's Day!

"Honor your father and your mother, so that you may live long in the land the LORD your God is giving you." (Ex. 20:12).

Today is Father's Day! May we honor our father today! Let's all take time to do something special to let each of our fathers know we appreciate them. There is another father whom we don't want to forget today either. It is our Father in Heaven! He needs to be honored and made special today too. There are many ways to honor our Father in Heaven. Here are a few:

1. Be *"zealous for the honor of God"* (Num. 25:13). Our Father is honored when we are zealous for God's honor by standing up for his ways in our own lives and encouraging it in other's lives. What can you and I do today to be zealous for the honor of God? Are we zealous for serving and honoring him? May it be so!
2. *"Honor the LORD with your wealth, with the firstfruits of all your crops"* (Prov. 3:9). God is honored when we give to him first. Let us honor him by giving him first out of our paycheck. Let us write out a check for him first before we spend money on anything else. This honors God. Are we honoring God or something else? Do we pay other things first? May God be honored in each of our lives in this way.
3. *"These people come near to me with their mouth and honor me with their lips, but their hearts are far from me"* (Is. 29:13). God does feel honored when we praise him and sing to him using our mouths and lips if we also engage our hearts for him. God wants to experience our hearts as to whether we will obey, praise, and serve him. Is our heart totally with God and sincere in our worship and daily walk with him? Do we do things out of obligation and are merely religious? Or do we communicate our hearts of good will and appreciation to him. May we honor God by loving him with all our heart as well as our mouth.
4. *"You are not your own; you were bought at a price. Therefore honor God with your body"* (I Cor. 6:19c-20). God is honored when we are pure, when we do not abuse our bodies, and when we use our body to do his will and spread his word through our lives and special talents. Let us dedicate our entire body and life to honor him today and every day.
5. May we honor our earthly father but let us also honor our Heavenly Father today.

Prayer Requests

- Please pray for Don Bush as he recovers from surgery this week. If you would like to bring meals for the family, please contact Debbie Collins at Debbie.Collins@upicolo.org.
- Please pray for the Hoggard family as Dawn's brother is in ICU with organ failure. Dawn flew in from Dubai U.A.E. to Reno a couple weeks ago because her brother was critically ill. Pray that Dawn can be bold and share the good news with him and that he can hear her through the drugs they are giving him.

Gratitude from the Holguins

We are so deeply grateful for all of the family and friends we have in the Denver Church. Your condolences and acts of kindness, phone calls, text messages, cards and flowers all meant so much to us and we were overwhelmed by the sympathy and empathy expressed by everyone upon my mothers' passing. It made it easier to bear, knowing I had the shoulders of everyone to hold us up during this difficult and painful time. She fought the battle with Alzheimer's for over 10 years, and God finally gave here rest from it. Thank you deeply from our heart, Love Mike Holguin and family.

CMM (Colorado Mountain Ministry) Update:

On Saturday, June 27th, we will be taking on a little more challenge on the Herman Gulch Trail Hike. The trailhead is just off I-70 at Exit 218, 3 miles east of the Eisenhower/Johnson tunnels. Please plan to arrive by 9:00 a.m. for a 9:15 a.m. departure. What to Bring: sturdy hiking boots, sunscreen, water, lunch, warm wind-proof jacket, rain gear, hat, hiking poles (optional), friends, camera, compass (terrain maps will be provided), and your “gaiters,” as there is still snow in the higher elevations. By mountain standards, this is a Class I trail, but the climb is challenging in places. To learn more, do an internet search on Herman Gulch, CO and visit the DCC web site. Please contact John or Joyce Hanson (303-931-8862 or -8864) if you plan to join.

Future CMM Events:

- Saturday, July 18th: Mt Bierstadt! Come climb a 14er!
- Friday, July 31st to Sat, Aug 1st: Overnight Backpack at White Ranch Open Space, Golden, CO. Limited space. Contact John or Joyce soon to reserve a spot!!!
